Cub Scout Pack 191 outdoor experience recruitment

Cub Scout Pack 191 held an outdoor experience recruitment event at the club on Saturday, August 24th. Over twenty prospective scouts and their families attended and were able to have fun at NICC. The youth were able to launch air pressure two-liter bottle rockets, make paper boats and race them, catch (and release) in our pond, and try some fresh cinnamon and sugar donuts cooked in a dutch oven in our fire pit. The scouts will be back out on Thursday, September 26th, for their program year kick-off pack meeting by holding a campfire and watching these new scouts earn their Bobcat ranks!

Open house, greet and meet August 17

We had perfect weather for our open house, greet and meet day. Those who came, were pleasantly surprised to find 62.5 acres of beautiful wooded property, with a pond right here in Antioch.

A special thanks to the Ken & Laura Golonka, Jessie, Bill, Maddie and Andy Szmergalski, Jim Waldow and Paul Yucus for all their hard work preparing the house and grounds for this event.
