We couldn't have had better weather for our highway cleanup on Grasslake Rd. Hard to believe NICC has been doing the Adopt-A-Highway now for 21 years. Thank you all.

Halloween Movie Night – October 12

It definitely was a fun night for everyone. The clubhouse was beautifully decorated by the Szmegalski family. Pumpkin carving revealed some very talented kids. The judges had a difficult time picking 1st, 2nd and 3rd place winners. Prizes were awarded for the top 3 costumes.

As you can see by the picture, our food was displayed in the holiday spirit. There was plenty of delicious food and enough sweets to keep the kids awake for the next 24 hours. The movie for the night was Hotel Transylvania 3. Even the adults enjoyed the movie as much as the kids did.

Our 60th Ice Fishing Derby and Winter Festival

This past week, membership was sent copies of the 2020 Sponsorship Opportunities and the 2019 Solicitation list. Let's make this derby another successful one. Please **DO NOT** solicit any businesses on the 2019 donor list. Remember, this is our main fundraiser of the year. A portion of the money is used to provide a scholarship to a local area high school student.
