July 2020 Newsletter

Message from the President

NICC Membership,

I hope you are all staying healthy and enjoying the beautiful weather we have been having. I would like to give you all an update on a few things that are happening around the NICC grounds.

There have been a few members only trap shoots that have been very well received. I would like to clarify something about the members only. Each member that attends these trap shoots can bring one friend. That friend can only come as a guest one time. Hopefully that friend has so much fun and enjoys the grounds so much that they pay their membership fee!

Next, I would like to let you all know that we are currently seeking bids for some repairs to the clubhouse and the garage. The back-door area of the clubhouse and the soffit/trim boards need repair. Also, the clubhouse needs to be painted. The garage needs a new roof and a good thorough cleaning. In addition, the green mobile home trailer needs to go! If anyone has any ideas, please let a board member know.

Finally, NICC recently received a donation of a kayak. I will be bringing it out to the grounds and it will be available for all members to use either on the pond or if you feel adventurous you can carry it back to the lake via the trail. Please remember to wear your life vests when using any of the boats and return the boats and life vests to where you found them when finished. Thank you.

Pop Up Trap Shoot held on June 14

June 13 - Volunteers were Steve Morgan, Ken & Laura Golonka

Elections

Due to the COVID-19 virus, elections will be held on July 13 at the combined General/Board meeting at 7 pm.

Outdoor Education Day July 18

This event has been canceled due to COVID-19
