

YOU ARE INVITED TO A RIPARIAN LANDOWNERS WORKSHOP

SEPTEMBER 18, WINTHROP HARBOR, IL

As a riparian (streamside) landowner you may want to:

Learn how to...

- Manage native and invasive vegetation (best buffers)
- Curb erosion
- Improve stream habitat
- Minimize debris accumulation
- Reduce runoff from your property
- Prevent pollution

Get the facts about...

- Funding of projects
- Stream dynamics
- Landowner rights & responsibilities
- Activities that require a Permit vs. those that do not

This workshop will focus on **cost effective, practical, and environmentally sound** practices for streamside landowners. The **indoor portion** will provide the “**do’s and don’ts**” of **streamside living** and the **outdoor portion** will provide a **hands-on** opportunity to put these lessons into **practice** on the **stream**.

- When:**
- Saturday, September 18, 8:30am-12:30pm
- Where:**
- Indoor portion (8:30am-10:00am): Schlader Recreation Center, Winthrop Harbor (2700 9th Street, Winthrop Harbor, IL)
 - Outdoor portion (10:30am-12:30pm): Fossland Park, Winthrop Harbor (SW Corner of Sheridan Road & 4th Street)
- Who should attend:**
- Streamside homeowners, business owners, public officials, land managers, anyone interested in protecting Illinois streams and Lake Michigan!
- What to plan for:**
- Outdoor activities
 - Providing your own travel between sites
 - Continental breakfast and snacks provided

PLEASE RSVP BY SEPTEMBER 13

(See the back of this flyer for RSVP details)

RSVP
