### CHIPPING THE TRAILS

Rob, Laura, Elena, Mike

We couldn't have asked for nicer weather to chip the trails at NICC on Saturday October 10. Again, Garth's Complete Tree Service donated enough chips for us to finish the main trail. Hopefully, in the spring we'll be able to complete the remaining trail. With the help of the volunteers, chipping the trails has become an organized routine for them. It was interesting to watch each tractor and trailer pull up waiting to be quickly filled either by Rob Christensen with the bobcat or by Chris Hughes with his unique front loader.

Thanks to the volunteers for their hard work on the trails. They should feel a sense of pride knowing their hard work will be appreciated by those who will enjoy walking through the woods. Thanks to the following volunteers: Chris Hughes for bringing his front loader and Rob Christensen for borrowing the bobcat from his boss Bob Rohrs. Tim Glover and his grandchildren, Mike & Elena Aparicio who helped spread chips on the trail with the help of Laura Golonka. Thanks to Don Letich, Ken Golonka, Eric Herum and Carl Palucki for hauling the chips and Ross Musumeci for manning the shovel making sure the trailers are loaded to the brim. When the hungry crew was finished, they had chili, hot dogs and homemade chocolate chip cookies served by Bonnie Letich.

**ADOPT-A-HIGHWAY VOLUNTEERS OCT 3**

A big thank you the volunteers who came out on October 3. We seem to luck it out with decent weather each time. I can remember one time having to cancel the highway pickup because of torrential rains. Thank you to the dedicated volunteers: Cindy Yelden, Rich Couvion, Ken Golonka, Don and Bonnie Letich.

**2016 ICE FISHING DERBY & WINTER FESTIVAL FEB. 13-14**

It's that time of year when we are preparing for our annual ice fishing derby. In the next month, we will be soliciting businesses for being a major sponsor or placing an ad in our information booklet. We will be sending you information in the next newsletter to see if you know of someone or business who would be interested.
