**Thank you hard working volunteers!**

Joe & Jim manning the fire

On Saturday September 14, NICC volunteers worked tirelessly continuing our clean up from this Spring's creek project and grounds "beautification".

They burned brush piles, moved firewood and logs from the edge of the pond. An area was cleared by the barn so wood chips could be delivered for the trails. Gravel was spread on the road to the property and spread inside the NICC gate.

Being a member of NICC is a rewarding one – helping preserve 62.5 acres while enjoying the grounds and camaraderie with other members.

Remember, this is an ALL VOLUNTEER ORGANIZATION.

### Another Painting Party at NICC

On Saturday September 28, NICC hosted another Painting Party. The event was organized by NICC board member Jessie Szmergalski. This time, artwork theme was done with the thoughts of Autumn, painting a stack of pumpkins on a 100-year-old barnwood.

### IMPORTANT MESSAGES
