October 2020 Newsletter

e

On September 20, NICC hosted our first successful trap shoot fundraiser of the year. We certainly had perfect weather and an excellent turnout.

We have had a couple Pop Up trap shoots for members only this year. The only requirement is they have to bring their own gun, ammunition and clays. Thrower is provided by NICC.

The idea to have these Pop Ups, is to give members the opportunity to bring a friend to show what NICC is about.

Thanks Jim Waldow for installing a rope swing. What a terrific idea and a perfect spot to sit and relax overlooking the pond.

Adopt-A-Highway October 3

It's that time of year again when NICC volunteers grab their gloves and head for the highway. Have you noticed NICC's name on the two signs on Grass Lake Road between Rt. 83 and Rt. 59? NICC signed an agreement each year with the Lake County Division of Transportation Adopt-A-Highway program, to help clear debris on this section of highway. This year will be our 22nd year to participate in this program. We would like it to have all volunteers meet at the corner of Rt. 83 & Grass Lake Rd next to Triangle Bait and Marine at 10 am.

October 11 will be our second trap shoot of the year. 10 am. – 2 pm.
No need to register in advance Children under 18 yrs. Must be accompanied by a parent or guardian

Important Message

The NICC Board is currently assessing various options for the 61st Annual Ice Fishing Derby and Winter Festival amid the current pandemic. If you have any thoughts or ideas please don't hesitate and to reach out to a board member.

Now blooming at NICC is the White Snakeroot. It is a toxic native herb found throughout Illinois. A member of the aster family. It's toxins are found in its fresh leaves which if ingested by cows, can cause milk sickness if the milk is consumed, Abraham Lincoln's mother died of this ☹️!
