A FACELIFT FOR NICC

This was a productive year for NICC as we completed many items on our project list. Earlier in the year our main road and the road into the grounds received several loads of gravel and was then graded. Thanks to Bob Willigal for locating and working with the contractor.

Then came repairs to the inside of the house. The floor in the main meeting room by the door facing the pond was repaired. The next project was to reroof the garage and repair the rafter that had been damaged by a fallen branch.

Finally, the house was received a new coat of paint, new gutters, downspouts, and a new storm door was added. Thank you goes to Keith Wernli who was the main painter with Bill Szmergalski and Ron Lobodzinski lending a helping hand. GREAT JOB!

Adopt-A-Highway Clean Up on October 3rd

It was a perfect day to clean Grasslake Road from Rt. 83 to Rt. 59. We had a challenge, who could find the most unusual item. It is amazing what you find when cleaning the road! This time Paul found a purple 4th Grade Placement Ribbon. That sure beat the siding that Billy and I found. Paul received a \$10 Dunkin Donuts gift card and I believe he will be taking his sister Donna to breakfast. Billy and I hadn't seen each other in years and spent the time catching up. Billy, it was great to see you again! Thank you to the Fabulous Four for this Fall's Highway Clean-Up.

Fall Fest October 22

What fun everyone had at the Fall Fest on Oct. 22. There were pumpkins to be carved and crafts to be made and taken home. Jessie and her team did a tremendous job of decorating the house.

A walk around the pond with Jessie and Patty through the haunted trails was a thriller for the kids to see scary ghosts and goblins in motion.

Scary movies were watched on a large movie screen set up by the bonfire pit.

There was plenty of food and treats for everyone.

Thank you to Jessie Szmergalski and her team, Patty Bellack, Jim & Diane Waldow, Ron Lobodzinski who gave their time and energy to this Fall Festive event.
