December 2022 Newsletter

The 63rd NICC Annual Ice-Fishing Derby will be held February 11-12, 2023. Details are still being finalized, but it will be run similar to last year's event. Each fisherman that wishes to participate in the derby will be required to pay a \$10 entry fee that allows them to fish both days.

The derby will be headquartered at Turtle Beach Marina again in 2023. Things will be set up similar to last year with a tent on the beach. We will be having bucket raffles and possibly a live auction if we are able to get enough donations.

Separate from the Derby, NICC will be selling a limited number of raffle tickets with a chance at cash prizes of \$1000, \$500, and \$250. This is where we will need members' help. The more tickets we can sell, the more funds we can raise. This is our major fundraiser that helps pay the bills/expenses of the club.

Here is where we need your help. We need every member to sell at least 20 tickets. If you sell 20 tickets, your 2023 membership will be waived!

Our goal is to provide the community with an activity where they can enjoy the outdoors, spend time with their family, and blow off some of their hibernation steam. And finally, for us to bring in enough money to operate and maintain this organization.

Please be a part of this year's Derby by selling at least 20 tickets. You will receive an email with details on obtaining tickets. Please watch for this email.

If you have any questions, please don't hesitate to reach out to one of the board members.

Help us make this year's Derby a success!

This list is as of December 7. More will be added as they come in.
