

# ICE FISHING DERBY EDITION

*Northern Illinois Conservation Club*

## *64th Annual Ice Fishing Derby*

**PRESIDENT LEONARD DANE**

The 64th NICC Annual Ice-Fishing Derby will be held February 10, 2024 at Turtle Beach Marina in Antioch, IL from 8am-4pm. Details are still being finalized, but it will be run similar to last year's event. Each fisherman that wishes to participate in the derby will be required to pay a \$20 entry fee that allows them to fish the entirety of the day. We will be having bucket raffles and hope to bring back the live auction. The fisherman can come to headquarters hourly to register and enter their fish. The two fish judges will be in one area where fisherman go to have their fish measured. There will be another area set up with NICC members who are there to sell bucket raffle tickets, register fisherman, and answer any questions that the fisherman or public may have. Finally, there will be another area with all of the raffle and auction prizes on display.

We are still in need of donations for the bucket raffle and auction. Please reach out/stop by any business you feel would be willing to donate. All donations are tax deductible as NICC is a 501c3 not-for-profit organization (ID#36-3680988). NICC is funded by membership dues, fund-raising activities, and donations. There are several levels of sponsorship recognition available.

Our goal is to provide the community with an activity where they can enjoy the outdoors in a safe manor, spend time with their family, and blow off some of their hibernation steam. And finally, for us to bring in enough money to operate and maintain this organization.

If you have any questions, please don't hesitate to reach out to one of the board members.

Help us make this year's Derby a success!

*Our annual ice fishing derby on the Chain O' Lakes has been our major fundraiser and is the longest continuously run winter event in the State of Illinois!*
